Dirt Will Soon Be Flying At the Old Corner

Relays of workers, numbering into the scores, will soon be busy tearing down this old landmark, and a new, greater New York Store will rise in its place. So every price on every article in this Annex stock had to be sliced and slashed for quick selling. We realize that this is no time to stop at trifles.

No announcement ever made will create such widespread attention and enthusiasm as these stupendous offerings.

It's a sale compulsory in nature. Korrick's orders not to move one stitch of apparel back to the parent N. Y. Store must be obeyed.

It's the greatest of all Bargain Sales, dispensing values that no man can overlook. If you have a dollar or so to spend for apparel, you owe it to yourself and purse to come here Saturday and profit by the Bargain feast which will be spread before you in the wiping out of the New York Store Annex—Mail orders filled when accompanied by cash.
